

Information on Data Protection

1. Required information

(1) When you take part in contract award procedures, information relating to your company, such as the company name, name of the contact person, address data, telephone/fax numbers and email address is collected.

By forwarding the tender documents to us, you consent to the collection, processing and use of the data provided. The information is made available for the purpose of conducting the contract award process.

(2) Applications and bids can only be considered and contracts can only be awarded if the required information is available in full.

2. How long can data be stored?

(1) The contact data you provide when you apply to participate in a contract award procedure are stored until revoked (informal revocation: "Please delete my contact details"). The data are also deleted if they are no longer valid.

(2) Procedural documents, including documentation, contract award notice, requests to participate, bids, declarations/confirmations of interest and the corresponding annexes are kept for a minimum period of three years from the date of the contract award or until the end of the contract term if this exceeds three years.
